For DMVR SCCA Members,

First off, Thank you to all who helped to make the 2018 Dirt Fish Rally Cross Nationals a success and Congratulations to all our champions.

We are in the midst of planning the 2019 season. It looks to be a similar schedule to last year on the road racing side. Starting in late March Majors/Super tour at Hallett, April Majors at Heartland Park, May Majors at RPM, June at Gateway, July at Heartland Park, August at Hallett and ending the year in Sept at RPM. The TT program will follow the Road racing schedule with a potential late August stop at Iowa Speedway for a one day stand alone with PDX. This is all still very fluid, but the MiDiv road racing scheduling call will confirm the dates. On the Solo side we will begin setting the schedule in early January. We will publish updates as we get closer. I want to thank each and every member for making 2018 a successful year for DMVR. I am personally grateful for the support we have had at all our events.

See you at the Banquet November 10th.

Regards,

Erich Pfolgras

RALLY CROSS NATIONALS 2018

Ka-ching*, That's the sound DMVR hears coming off of the Nationals held Oct 12-14 at the Indianola Balloon Grounds.

Ka-ching: Old fashioned cash register sound

On Fri we held a test'n'tune from 1:00 to 4:30 to the tune of 1 car/minute thru the timers. At \$4/single run and \$10/for 3 runs that works out to a net of \$641 for the day.

Yes, I know that doesn't add up.

The only explanations I can think of are
1. I made a mistake on one of the single runs.

2. There's a dollar bill somewhere in the mud.

If the latter, it's probably snuggled up with the set of car keys that are out there.

*You'll have to ask the person who lost em about that.

Our other duties consisted of taking care of waivers for the event and providing part of the setup. Thank you, everyone who helped!

ADVENTURELAND SOLO 2 DAY EVENT

Since the Iowa Challenge was unfortunately cancelled it was decided to host a two day event for the last event of the year. So for two days we came, we saw, we raced! Thank you to everyone who came out for both days! Below are some pictures of all the fun!

2 HOUR GO CART ENDURO

In August, many DMVR members tried MB2 Raceway's, now Pole Position Raceway (P2R), first ever go-cart enduro. It was a success so DMVR decided to hold their own 2 hour edition. So on October 29th, they booked the track and seven teams got together to face off in DMVR's first ever go-cart enduro. In teams of 3, they took on the challenge, cycling through drivers every 10 minutes to keep the carts charged up and ready for the next round. After 2 hours the winners were crowned, with the top three on the podium below, and the promise to come back and do this again. Everyone had a great time and all hope to get back on the track again real soon.

COMP CHAIR'S CORNER

We have winners in the following categories
for 2018.

Driver of the year.

Winged Bitch

We do not have a rookie of the year.

We have three award winners from MiDiv
that can only be announced on the 10th as
the awards themselves won't be here yet due
to the early date of our Banquet.

There will be a Driver's meeting/chili cook off
in Feb as usual.

There has been some discussion about in-
cluding our newest group of TT Drivers as
well.

However, I am not an expert on TT so am
looking for help if this is to be. You all know
how to reach me.
